LEGO MINDSTORMS Education

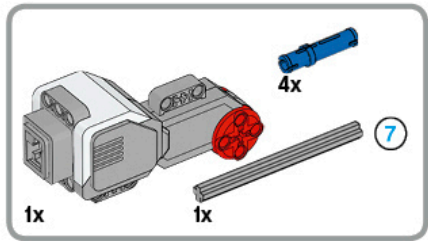

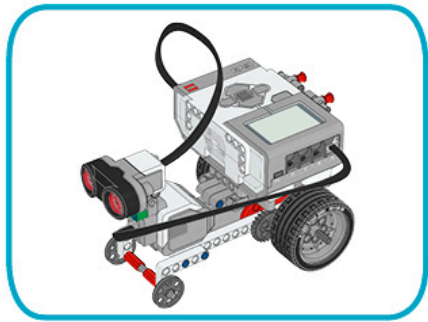

The advertisement features a central image of the LEGO Mindstorms EV3 Core Set, a three-wheeled robot with a large grey motor housing and a black LCD screen. To the left of the robot is a circular icon with six segments, each containing a different sensor symbol: touch, ultrasonic, color, light, gyro, and camera. Below the robot is a small white box with a Wi-Fi symbol and the text 'Works with iPod iPhone iPad'. To the right of the main robot image are several smaller images showing various sub-assemblies and components from the set, including a motor, a sensor, and a gripper arm. The background is a light blue and white gradient with the text 'Core Set' and its translations in multiple languages.
